Dear Mr. Kramer:

Thank you very much for your letter of 23 November inviting me to address the Elementary Principals' Association of Montgomery County.

I sincerely regret that I will be unable to accept your kind invitation even though you were good enough to give me a choice of a date. In view of my present position, it is necessary for me to restrict my speaking engagements to the various government service schools except on a rare occasion when I make an outside talk. Unfortunately, I cannot make an additional commitment at this time.

Your courtesy in asking me to join you is indeed appreciated.

With kindest regards,

Sincerely,

Dear Mr. Dulles:

The Elementary Principals' Association of Montgomery County is planning on engaging speakers who could speak with us on the subject of world affairs for our spring meetings.

As a member of the program committee, I have been charged with the responsibility of arranging for these speakers. During the past week I have spoken with a mutual friend of ours, Ralph Lovett, and have discussed with him the advisability of asking you to take the time from your busy schedule to speak to us on one of the dates listed below. He has assured me that there are some facets of your work about which you might speak if it is possible for you to do so. We are particularly interested in learning about the spread of Communism in the world or any other topic which would be of value to us as educators in the elementary field.

If it is possible to obtain you for one of our meetings, we plan to invite members of Principals' and Supervisors' Associations of other counties in Maryland and the State Association, as well as educators from the Health, Education and Welfare Department of the National Education Association of Washington, D. C. In the sincere hope that you will be kind enough to speak to us, I am listing below the dates of our meetings for this school year. If you will please try to speak to us at one of the meetings we will be happy to change other speakers to accomodate you, and will make every effort possible to make transportation convenient for you.

Sincerely yours,

Joumae D. Kramer
